Nottingham Trent
University

When:

8th of April 2019

Who:

- ECRs
- PDRAs
- PhD Students

Format:

- Short talks
- Posters
- Invited talk

UKFN Early career researchers are invited to attend a meeting aimed at bringing together ECRs across multiple UKFN SIGs.

The event is intended to be an informal meeting where ECRs can have the opportunity to present their work with a talk or a poster, interact with each other, listen to advices for fellowships or job applications. It concludes with a social gathering at the pub.

There is also the possibility of subsidised travel depending on the number of attendees.

Interested in attending this event? Please send a **registration email** specifying your contribution format (poster/talk) before the **11th of March** to:
